# Year 4 are celebrating...

The whole of Year 4 for being superb during the ‘States of Matter’ workshop with Kinetic Science. It is wonderful when members outside of our school community pass on comments like this:

“What an amazing group of students. Debbie and Harriet came back to say it was a real pleasure to meet such lovely children and how well behaved they were.”

# Celebrating Reading

Time is up and the votes have been counted as part of The Children's Book Award. There was a clear winner in every category.

It will be interesting to see if the national votes (collected from lots of schools and book groups across the country) will have the same favourites.

Look out for book reviews, written by the members of Book Club, in the library newsletter next week.

# Year 5 are celebrating...

5M - Theo & Dylan for excellent collaborative work & being adventurous with their food in DT.

5HB- I would like to celebrate every child in 5HB. I have been so impressed with how responsible and adventurous you have been this week trying new foods and taking pride in making your food dishes look beautiful! You have been a pleasure to teach.

5G - Tilly and Amelia for their detailed recordings in D.T this week.

5S - Praise and Hannah for having an excellent attitude towards their Arithmetic and how wonderful to see the progress you are making.

# Year 6 are celebrating...

6B - Ethan for his fantastic work with Tangrams yesterday. He was challenging himself to solve the different puzzles and did a great job with helping others in the class too. Izabella for always listening and following instructions and showing positive learning behaviours in the classroom.

6J - James for constructing a parallel circuit on his own with reference to a circuit diagram. Also to Charlie and Jaylen for completing Miss Moody's pentomino super challenge. She was really impressed with the way they worked together.

6RL Thomas for his participation in literacy this week - some fabulous knowledge and ideas. Jessie for her great circle work in class - the children of 6RL worked hard to create some fabulous designs.

6T Cayden for being pretty much a role model in all aspects of school life. He works so hard in all lessons, he perseveres and never gives up when he faces challenges, he is helpful and kind. Cayden you are everything our we hope our pupils will become. Well done.

# Perfect Presentation!

Calli Last (5G) for presenting her work beautifully in D.T this week.

Olivia (3B) for presenting her learning beautifully in Science this week.
