

Springfield Junior School Accessibility Plan Map

2024/2025

All doors are wheelchair accessible in both width (825mm, Dept for Social Development) and floor surface. All door handles are within the permitted 1000mm height. The school has one accessible toilet. The only internal step leads to the performing arts room, a ramp is available.

Performing Arts Room
 Accessed via corridor with step.
 Ramp stored in disabled toilet.

NOTES
 If courtyards exist in this drawing, their areas have been subtracted from the Gross External Areas.
 In some cases the room areas displayed on this plan do not show the actual area of the room, but shows the area on the Net Capacity Schedule. (see notes of guidance)
 N/A. Any reference to the term Unusable is for Net Capacity purposes only. It does not refer to operational use.

No.	Amendment	Date
C	Access WC, Stores, Room Uses	Apr 10
