

A decorative graphic at the top of the page features several colorful, curved arrows in shades of blue, pink, yellow, and green, pointing upwards and outwards. Interspersed among these arrows are small, four-pointed stars in various colors, including blue, pink, and yellow. The overall effect is festive and celebratory.

Year 6 are celebrating...

6P - Riley F and Tommy for their amazing participation and effort in music this week. The Year 6 children have been preparing for the end of term production and Mrs Miller was so impressed with both of them

6R - Theo P has worked brilliantly in Literacy this week. He created a really fantastic setting description which painted a very clear picture for the reader. Theo also focused heavily on his presentation and it reflected the high standards he has.

6T - Logan for some INCREDIBLE maths this week! Great understanding of how to convert between units of measure - well done!

6RL - Kenzie P for some wonderful work on pathetic fallacy and Riley F (again) for giving 100% at the moment in all that he does.

French!

Year 3 - 3B - Bradley for showing lots of enthusiasm in French. He did some great sounding out of French words using the sounds he knows as well as looking up extra vocabulary when labelling part of the body. Super effort!

Year 5 - 5J - Roman for showing great understanding of the main points of a French weather report text. He was able to pick out the vocabulary he knew and work out what the weather was like in different parts of France.

Year 6 - 6T - Lynden for using his knowledge of English vocabulary to work out the meaning of new unknown words in French. For example, Lynden used the English word unicorn to help him work out that une corne was a horn.

House points!
