

The background is a vibrant yellow. It is decorated with numerous colorful, curved arrows in shades of blue, pink, yellow, and green, all pointing upwards and outwards. Interspersed among these arrows are small, four-pointed stars in various colors, including blue, pink, and yellow. The overall effect is one of celebration and joy.

Year 4 are celebrating...

4M - Emily and Ben for their determination and perseverance towards meeting their reading targets this week. Fabulous!

4H - Tia for consistently working hard in both maths and literacy. Tia is a great role model to the rest of the class as she is always ready to learn. Well done Tia!

Bradley for being such a kind, caring and supportive learning partner. Much like Tia, Bradley is also a great role, well done!

Malakia for some really great work in maths this week. I've been impressed! Well done Malakia!

Year 5 are celebrating...

5M - Jorgie & Aleks for reaching their reading targets this week. Sofia for always listening attentively and trying her best.

5CR - Grace and Harry for presenting a colourful and accurate collage of the rainforest and its four layers. Both children were away during the first session and showed focus during the shorter CC session this week. Also presenting a wonderful collage, Noah and Charlie F for identifying the four layers of the rainforest through this medium, illustrating relevant fauna/flora and conveying their knowledge as geographers (and scientists too!).

5W - Jack for his determination and perseverance towards meeting his reading target this week. Kiyana for persevering with her writing and including all key points. Well done!

Reading!

Well done to all the pupils who have met their reading targets. You have put in a fantastic amount of effort into your independent reading. The information below shows which class has met the most reading targets in each year group.

RE!

Year 5 - Nusrat worked excellently, using a number of high-level IT skills, to present information about Hinduism using PowerPoint. The content was relevant and it pitched appropriately to a younger audience. Contributions in class were mature during initial discussions and she engaged fully with all the activities!

Year 6 - 6T really impressed this week during our RE day. The children worked incredibly hard, learning lots of new Arabic vocabulary and asked some great respectful questions. They were a joy to teach.

A Super Silver Award!!

What a fantastic result for our school football team in their first outing, representing Springfield at the School Games Football Tournament!

Congratulations to Flynn, Mihai, Jamie, James, Ezel, Carson, Calem, Noah & Lola!

The competition was held at Whitton Sports Centre yesterday, where 6 teams took part, which meant that each team played 5 games.

After all the results were collated, Springfield were top of the table with two other schools! Goal difference was used to find the winners, which meant that Springfield came second by a goal difference of just 1!!

The team were a huge credit to the school demonstrating excellent fair play and sportsmanship. Thank you to Mr Black and Mr Harris who organised and accompanied the team to the event.

House points!
