

Hello!

I know many of you have already seen me on video from the school website but I thought I would send you a letter to tell you all a little bit more about myself.

Firstly, I live with my husband, our cat called Bonsai and an ant farm! I really enjoy being in my garden and I have been growing strawberries and raspberries this year. During lockdown I have enjoyed having some more time to do the things that I enjoy. I have been doing jigsaw puzzles, doing some decorating in my house and collecting books for us to share together in our new classroom. I have also started to learn to play the keyboard and have been doing some singing too. I have also started to read all of the Harry Potter books again which has been great!

I really hope that you are excited to be starting at Springfield Juniors. I am new to Springfield Junior School too, even though I have worked with children for several years and taught at other schools, so we are going to be learning lots together.

I can't wait to receive your letters and find out more about you. Please write it on paper and get your parent to take a photo and email it to me. It would also be lovely if you could send a photo with your letter so I can see who you are too! I am so looking forward to meeting you all and hearing all about what you have been doing this summer. Try not to be too nervous-this is the start of a new adventure!

See you soon!

From Mrs Barnes
