

# SPRINGFIELD JUNIOR SCHOOL

RRSA Newsletter: 1

**Our Rights Ambassadors**

What a great start we've had on our journey in becoming a Rights Respecting School! In July we were awarded with **Bronze—Rights Committed** after submitting an action plan detailing how we will promote the United Nations Convention on the Rights of the Child across the school.

Following our launch day, we had a group of fantastic volunteers who wanted to be advocates for children's rights at Springfield, our Rights Ambassadors. We will meet regularly as the children are the driving force behind this journey.

**So far**, we have introduced the children's rights. In everyone's classroom there is a class charter and this shows the most important rights to each class. Most of the classrooms have chosen the same articles that are important to them. As we really enjoyed the launch day, we were really interested in becoming ambassadors and promoting children's rights.

## **Our Next Steps...**

Our next step is to film an assembly to introduce ourselves so if anyone has any questions about our rights they know who to go to.

We are making posters to display around the school to inform children about individual articles .

We are going to create a whole school charter out of each class charter.
