Friday 17th July 2020

Dear Parents/Carers,

I would like to express my sincere thanks to all parents, carers and children for the surprise presentation on Wednesday after school on the playground. I only thought I was going out on to the playground to open the school gate!!! Also a big thank you for all the individual cards and presents I have received over the last couple of weeks.

I've been completely overwhelmed by the enormity of your generosity and your kind messages. Thank you!

Although I am truly sad to leave Springfield, I have many happy memories of a wonderful school. I feel most fortunate to have worked with such amazing, hardworking children who have the most supportive parents.

I will miss you all!

Mr Lynch

Dear Parents/Carers,

I am sure that I speak for the whole school community – families and staff – when I say how truly lucky we have been to have had such an inspirational leader at Springfield Junior School. His drive for the very best for the pupils at the school underpins everything he does and he has the highest expectations for all.

His warmth, compassion, generosity and drive has made this school an exceptional place to work and learn. He will be sorely missed by all but we hope that he will come back and work with us again as he supports the Trust in its development.

We are also saying goodbye to several other staff members today. Mrs Lidstone has worked with us on and off over a number of years and has supported many children and families in her role as SENCO. Miss Leach has been working with us for several months covering Mrs Millson's maternity leave. We thank them both for their work at the school and wish them luck for the future.

In other staffing news, congratulations to Mrs Cook on the birth of Molly and to Miss Morris on the birth of Milly. We hope that they enjoy their time with their beautiful new additions and look forward to welcoming them back next year.

What a pleasure it has been to welcome so many more pupils back over the last few weeks. It has been reassuring to see how quickly anxious faces have been replaced by smiles as they settle back in. We cannot wait to work with all the children back in school together from September. I will be writing to you all next week to share some of the details for their return, and then will update you again towards the end of the summer with full details of the plans. There will also be the opportunity to ask questions or discuss any of these details before the pupils return on Thursday 3rd September.

I wish you all a lovely summer; stay safe and we look forward to welcoming you back in September.

Best wishes,

L. Everitt
