(A) Volunteer Policy (for volunteer to keep)

The Governing Body is committed to safeguarding and promoting the welfare of children and young people and expects all staff, volunteers and visitors to share this commitment.

1) Introduction

Our school benefits from developing well planned active parental and community links. Participation by adults in the activities of the school on a voluntary basis helps to achieve this. Springfield Juniors believes that volunteers are a welcome resource and bring with them a range of skills and experience which can enhance the learning opportunities of all children, without encroaching on the professional teaching responsibilities of the class teacher.

2) Aim

The aim of this policy is to establish expectations for both staff and volunteers regarding the work undertaken by volunteers and their conduct whilst in school.

3) Categories of Volunteer

Volunteers could include any of the following (this list is not exhaustive):

- Members of the Governing Body
- Parents, carers, guardians, elder siblings or grandparents of pupils
- Students on work experience or placement
- University Students
- Ex-members of staff
- Local residents
- Staff family members

4) Types of Activities

- Activities volunteers may be engaged in could include any of the following:
- Hearing children read
- Working with small groups of children
- Working alongside individual children
- Undertaking art and craft activities with small groups of children
- Working with children on computers
- Preparing resources for a future lesson
- Accompanying school visits
- Escorting children on local walks
- Running or assisting with an after school club
- Social activities such as running a disco
- Fund raising activities such as running a cake stall or Summer Fair
- Interviewing children on a governor visit
- Helping at lunchtime

5) Becoming a Volunteer

Anyone wishing to work as a volunteer who will be in school on a regular basis or a one-off occasion completing a work placement should request a **Volunteer Policy** from the school office. Parents who have offered their support should be handed the policy which includes the required forms. This should be completed and returned with the necessary original Identity documents to facilitate a DBS (Disclosure and Barring Service) clearance check if required. Where the volunteering is a placement linked to a course of study the cost of the DBS (if required) will be met by the volunteer (or his/her college). The Headteacher (or staff member with delegated responsibility) will interview the potential volunteer and an appropriate placement will be

agreed. This will be in a class which has no family connection to the applicant. A regular day and time will be agreed and the applicant will be expected to sign all relevant documentation (appendix to this policy).

An entry will be made on the school's **Single Central Record** and a file maintained with the confidential details of the volunteer which will be retained by school for 7 years after the volunteer resigns from their volunteering responsibilities.

The exceptions to this are:

- A) Work Experience Students or University Placements who apply via their educational establishment as it is expected that all necessary safeguarding checks have been carried out by the educational establishment before arriving at Springfield Junior School. The student will not be placed in a class with any family connection.
- B) One-off volunteers i.e. assisting with a school walk, a fund raising event or a school visit will not require a DBS. **Care should be taken to ensure these volunteers are not unsupervised and do not have sole responsibility for a group of children.**

If there is any doubt as to the level of checks required, a decision should be sought from the Headteacher.

6) Information on the Role of a Volunteer

School Values

All adults who work in school are expected to work and behave in such a way as to promote our school values which are to:

- ✓ Work under the supervision and direction of staff.
- ✓ Be role models for the children they work with.

- ✓ Wear appropriate, smart but casual dress.
- ✓ **Refer any behavioural or safeguarding concerns to the class teacher and not to attempt to deal with any such issues themselves.**
- ✓ Use the staffroom but be reminded of school policies as stated above.

Refreshments – Please check with your teacher about these.

Dress– You should dress in appropriate, smart but casual dress.

Interactions - When talking with children please remember that they can be sensitive to your comments. At Springfield Junior School, our Behaviour Policy aims to develop everyone's self-esteem, self-confidence and self-discipline through praise and encouragement.

**** Any Safeguarding Concerns about a child should be reported immediately using our Safeguarding referral process. ****

If he is not available then the **Designated Safeguarding Lead Alternate** is Louise Everitt, Deputy Headteacher who can also be contacted with any safeguarding concerns.

Kim Cook and Daniel Jones (Assistant Headteachers) are also trained as **Designated Safeguarding Lead Alternates** and can also be contacted with any safeguarding concerns, as is David Rycraft, our Family Support Worker.

The **Chair of Governors** is Renée Wright (who can also be contacted via the school office).

The **Online Safety Lead** and designated teacher for 'Looked After Children' (LAC) is Daniel Jones

If your concerns relate to a member of staff, you need to report these concerns immediately to the Headteacher, Michael Lynch. If your concerns relate to the conduct of the Headteacher, you need to report your concerns immediately to the Chair of Governors, Renée Wright .

When working with children, always make sure you can be seen by a member of staff. You should not be left alone in a room with a child in a one to one context. This is important for the children and it is important for you as an adult so that there can never be a misinterpretation of behaviour either by the child or adult. Please do not initiate or encourage physical contact as this may be misinterpreted. Any pupil behaviour problems should be reported to the class teacher so that it can be dealt with immediately.

Please note that you will be required to complete a DBS (Disclosure and Barring Service) clearance check. Should the outcome of the check be unsatisfactory you will be unable to help in school.

(C) Volunteers' Code of Conduct

(for school office to keep)

1) Introduction

The school has decided to set out a **Code of Conduct** for all school volunteers. This must be read, understood and signed by volunteers before volunteering. Volunteers should be aware that failure to comply with the following Code of Conduct could result in them being told that their offer of support and help is no longer required. Volunteers should also be aware that in the event of a breach of this code, this information will be stored on school file and will be used if the school is asked to act as a referee or support an application. It will also be used if a volunteer applies for a post within this setting.

2) Purpose, scope and principles

This **Code of Conduct** applies to volunteers and visitors and is designed to give clear guidance on the standards of behaviour all volunteers are expected to observe, and the school should notify volunteers of this code and the expectations before commencement of the voluntary work. As with school staff, volunteers are role models and are in a unique position of influence and must adhere to behaviour that sets a good example to all the pupils/students within the school. As a member of a school community, each volunteer has an individual responsibility to maintain their reputation and the reputation of the school, whether inside or outside working hours.

3) Setting an Example

All volunteers who support in schools set examples of behaviour and conduct which can be copied by pupils/students. Volunteers must therefore avoid using inappropriate or offensive language at all times.

All volunteers must, therefore, demonstrate high standards of conduct in order to encourage our pupils to do the same.

All volunteers must also avoid putting themselves at risk of allegations of abusive or unprofessional conduct.

This **Code of Conduct** helps all volunteers to understand what behaviour is and is not acceptable.

4) Safeguarding pupils

Volunteers have a duty to safeguard pupils/students from:

- Physical abuse
- Sexual abuse
- Emotional abuse
- Neglect
- Radicalisation

The duty to safeguard pupils/students includes the duty to report concerns about a pupil to the school's Designated Safeguarding lead (DSL) for Child Protection.

The **Designated Safeguarding Lead** is Michael Lynch, Headteacher.

If he is not available then the **Designated Safeguarding Lead Alternate** is Louise Everitt, Deputy Headteacher who can also be contacted with any safeguarding concerns.

Kim Cook and Daniel Jones (Assistant Headteachers) are also trained as **Designated Safeguarding Lead Alternates** and can also be contacted with any safeguarding concerns, as is David Rycraft, our Family Support Worker.

The **named safeguarding governor** is Renée Wright (who can be contacted via the school office).

The **Chair of Governors** is Renée Wright (who can also be contacted via the school office).

Volunteers are provided with personal copies of the school's Safeguarding policy and must be familiar with this document.

Volunteers are provided with personal copies of Part 1 of 'Keeping children safe in education 2016' and must be familiar with this document.

Volunteers must not seriously demean or undermine pupils, their parents or carers, or colleagues.

Volunteers must take reasonable care of pupils/students under their supervision with the aim of ensuring their safety and welfare.

5) Pupil development

Volunteers must comply with school policies and procedures that support the well-being of pupils.

Volunteers must co-operate and collaborate with colleagues and with external agencies where necessary to support the development of pupils/students.

Volunteers must follow reasonable instructions that support the development of pupils.

6) Honesty and integrity

Volunteers must maintain high standards of honesty and integrity in their support. This includes the handling and claiming of money and the use of school property and facilities.

Conduct outside work

Volunteers must not engage in conduct outside work which could seriously damage the reputation and standing of the school or the volunteer's own reputation or the reputation of other members of the school community.

In particular, criminal offences that involve violence or possession or use of illegal drugs or sexual misconduct are likely to be regarded as unacceptable.

Volunteers must exercise caution when using technology and be aware of the risks to themselves and others.

Volunteers must not engage in inappropriate use of social network sites which may bring themselves, the school, school community or employer into disrepute.

They must not refer to events/issues/incidents that have happened in school nor must they mention names of pupils or staff at the school.

It is recommended that volunteers **do not** indicate this school as a place in which they are supporting.

7) Confidentially

Where volunteers are exposed to confidential information about pupils or their parents or carers, volunteers must not reveal such information except to those colleagues who have a professional role in relation to the pupil.

All volunteers are likely at some point to witness actions which need to be confidential. For example, where a pupil is upset by another pupil (or by a member of staff), this needs to be reported and dealt with in accordance with the appropriate school procedure. It must not be discussed outside the school, including with the pupil's parent or carer, nor with colleagues in the school except with a senior member of staff with the appropriate role and authority to deal with the matter.

However, volunteers have an obligation to share with their manager or the school's Designated Senior Person any information which gives rise to concern about the safety or welfare of a pupil. Volunteers must **never** promise a pupil that they will not act on information that they are told by the pupil/student.

All volunteers need to recognise that failure to meet these standards of behaviour and conduct will result in their offer of volunteering being removed.

I have read the School's Volunteer **Code of Conduct** and I understand the expectations the school has regarding my behaviour.
