Head teacher: M Lynch BSc

Dear Parents,

We hope you are all keeping well. In light of current circumstances, we are unable to proceed with the normal transition programme for your child moving from year 2 to year 3. We understand that in usual circumstances this can be a tricky period for some children and we endeavor to try and make this as straightforward as possible in these unusual times.

In the next academic year, we are very fortunate that we are able to return to a four form intake in year three. This means that your child will be in a class of 20 or 21 children which has obvious benefits for their learning. This has meant that we have had to regroup the children and they will not be in class sets that they were in during year two. We understand that this may cause children some anxiety although we have always found that the children adjust and adapt smoothly and enjoy making new friends.

Your child will be in class 3P with Ms Whitmore/class 3B with Mr Booty/3HL with Mrs Hardy and Mrs Logan or 3K with Mrs Barnes.

If you have any queries or questions about the juniors that have not been answered in the prospectus or the video then we are offering you the opportunity to speak to your child's new class teacher either through a 5min phone call or Zoom meeting.

These will take place during the week beginning the 15th June – each teacher will detail when they are available. Please indicate in your reply email if you would prefer a phone call or Zoom call. If you would prefer a phone call, please provide a contact number in your reply.

Mr. Rycraft, our family support worker, will also be available for a separate conversation and if any parents feel that this would be useful, please let us know.

Once this information has been collated, we will be in touch to confirm times.

Many thanks,

P. Whitmore

Year 3 lead
